Wednesday April 27th 2011 Noon—5:30 PM  
Cook Inlet Aquaculture Bldg. on K-Beach Rd.  
Soldotna Alaska**

**Concerned about Invasive Plants Changing our Wild lands?  
Wondering what steps are  
being taken in Alaska to stop the spread?**

**Join us for a FREE Workshop**

This years highlights will focus on Early Detection Rapid Response, the Permitting Process, our Statewide Strategic Plan Update, New Survey work and Looking at whole Watersheds as boundaries. We will also have information on Compost, Mulch and Erosion Control in addition to Coastal Re-Vegetation.

A great line up of speakers will present on a variety of topics to help us all realize the how and why of Invasive Plant Controls In Alaska.

**Interesting guest speakers on a variety of Invasive Plant issues  
on the Kenai Peninsula and what we can learn and do to keep our  
wild lands wild.**

**Free Plant ID's, Great Information. Refreshments.**

**SEE YOU THERE!**
